CATHOLIC COMMUNITY FOUNDATION EXPANDS HORIZONS

As the Catholic Community Foundation of San Diego (CCFSD) marks its fifth anniversary, we take pride that the more than 175 funds we manage have grown to a value of \$70 million. During that period, the foundation has granted more than \$13 million to support our Catholic community throughout San Diego and Imperial Counties.

As a foundation for Catholics, we are focused on our mission: to receive, manage, safeguard and grow the investments while we support organizations designated by our donors and carrying out the greater mission of our Catholic faith. The foundation focuses primarily on supporting our Catholic parishes, Catholic education, vocations, retired and disabled religious and numerous social ministries.

As we begin planning for our next five years, we look forward to serving our Catholic community and strengthening our services. CCFSD:

- Partners with generous individuals and families to achieve their charitable giving

- Assists parishes and schools in the development of endowment building programs designed specifically for their individual communities of faith.
- Offers our expertise to parishes, schools, and Catholic ministries to facilitate donations of complicated gifts of assets.
- Helps to build a better community by identifying important issues and bringing together

the people and organizations who can solve them.
